Thank you for your Sponsorship interest in The Pinnacle Fund. Your participation as a sponsor for our Stroke of Genius Golf Tournament FunRaiser makes it possible for the Foundation to realize its' mission of Putting Arts & Technology Back in the Classroom. The Pinnacle Fund is a 501(c) 3 corporation benefitting the Foundation for the Palm Springs Unified School District.

During these challenging economic times our local schools are receiving inadequate funding. Programs that are critical to a good education are being cut at alarming rates. We must ensure that our students have the technological skills and analytic and creative capacity to succeed in the 21st century.

The programs offered by The Pinnacle Fund are designed to give students the skills they need to obtain 21st century jobs and the analytic and creative capacity required to succeed in the classroom and their lives beyond graduation. Additionally, we are giving young people the incentive to stay in school which is critical given the high drop-out rates which are now prevalent in Riverside County.

We thank you in advance for your interest and support.

The Pinnacle Fund
